

ARMY NURSE'S VISIT HOME

_____ :0: _____

Miss Ethel Bray, a member of Queen Alexandra's Imperial Nursing Order, has been visiting her father, Mr John Bray, Buckhurst Road, for a few days this week. She has been on active service since August, and has been attending the wounded British soldiers who have been sent across the Channel to England. Miss Bray has had many adventures, and not a few narrow escapes, during her travellings in France. She was there when the King and Prince of Wales paid their memorable visit to the fighting line. One of her most treasured possessions is a card similar to the large number which were distributed by their Majesties to the troops at Christmas. It bears the photo of the King and Queen, and on the other side the message; "With our best wishes for Christmas 1914. May God protect you, and bring you home safe. Mary R. George R. I."
