Dear Nance and Sammy,

Just a line hoping this will find you both in the best of health as it leaves me so at present we are having it rather wet and windy just now you said that you hoped I got the parcels all safe but I haven't seen it yet I expect I shall get it for the New Year. I got Annies all safe just before Xmas but I will send you a card if ever I get it well Nance what sort of Xmas have you had. I had a letter from Uncle Ben he told me that he was going to Ninfield for the Xmas. I expect it has been pretty quite (quiet) nobody about

I hope you like the Card I sent you I sent you all one each they were all alike

well Nance I don't know what to tell you they won't let us tell you what we should like too so that makes our letters rather small. I expect Sammy will very soon want to be getting on with his gardening I expect Tom had a deasant joint again this Xmas didn't he. I don't think there is any more news just now so I will close wishing you all a happy New Year

From Your Loving Brother
