Belton Cottage

Russells Green

Ninfield

Monday morning at breakfast

My Dear Harry

Just a line I am writing do hope you are still keeping alright we have been wondering about you. Annie was up last night & seemed in a way because she had not heard from you since week last Fri. Do write as soon as you can & let us know no doubt you have not always the time for writing but it does seem such a long time to us We heard Bessie Hutchinson has not heard from Fred for a fortnight these are worrying & anxious times for everybody now I am glad to say we are all fairly well at home Mum went for a motor ride last week with Mr & Mrs Hopper to Gardner St. she quite enjoyed the ride. We are having a lot of wet this month very bad for corn & a good many have not got the hay up yet I am just off to work again we have finished fruit picking so hoeing now I want to send you a few plums in a day or two were the cherries eatable I hope so. So you will write soon wont you Will now close in haste with fondest love from all

your Loving Sister Nance XXXXXX

God bless and keep you safe XXXX

**Munn never received this letter as he had already been killed in action two weeks earlier.
This letter was returned.*
